Hi Fourth Graders! Here are some directions on how to do some extra math practice online.

**WEEK #1: Fractions Review**
- Go to: www.commoncoresheets.com
  - On the left side of the screen click on fractions
  - Where it says “Jump to a Heading” click on it and then click on a worksheet. Look for worksheets with the number 4 in the title. These are for fourth grade!
  - Where it says “Select a Worksheet” click “One at a Time”
  - This will give you one problem at a time that you can solve on your device

**WEEK #2: Addition, Subtraction, Rounding**
- Go to: www.commoncoresheets.com
  - On the left side of the screen click on Addition or Subtraction or Rounding
  - Where it says “Jump to a Heading” click on it and then click on a worksheet. Look for worksheets with the number 4 in the title. These are for fourth grade!
  - Where it says “Select a Worksheet” click “One at a Time”
  - This will give you one problem at a time that you can solve on your device

**WEEK #3: Multiplication**
- Go to: www.commoncoresheets.com
  - On the left side of the screen click on Multiplication
  - Where it says “Jump to a Heading” click on it and then click on a worksheet. Look for worksheets with the number 4 in the title. These are for fourth grade!
  - Where it says “Select a Worksheet” click “One at a Time”
  - This will give you one problem at a time that you can solve on your device

**WEEK #4: Division**
- Go to: www.commoncoresheets.com
  - On the left side of the screen click on Multiplication
  - Where it says “Jump to a Heading” click on it and then click on a worksheet. Look for worksheets with the number 4 in the title. These are for fourth grade!
  - Where it says “Select a Worksheet” click “One at a Time”
  - This will give you one problem at a time that you can solve on your device
Make a **First in Math** FREE Account!

★ To make a free account that will last for 45 days follow these instructions!
★ You will need a parent’s email to activate the account

1. Go to: [https://www.firstinmath.com/demo/createteam](https://www.firstinmath.com/demo/createteam)

2. Where it says “Your School” type in: Hood Elementary School and click on the one in Lynn, MA

3. Where it says “Your Information” type in your first name, last name and your parent’s email. Under “job title” write **student**. You do **not** have to put in a mobile phone number. When it asks “How did you hear about us?” Write: **school**
